## Revelation 22:17-21 - COME!

Intro. – As we come to the end of Revelation we find some wishes, some warnings and a welcome. We will save the warnings for next week (wrap up/review) and today concentrate on the wishes & welcome.

This book has laid out how history will end and shows the consummation of the ages in the 2<sup>nd</sup> Coming. This blessed hope stirs our anticipation for these events to speed in their fulfillment. There is great yearning for Christ's return from Creator & Christian. And in this text Jesus Himself gives confirmation that He in fact is coming again. This hope is not unfounded. So the Bible ends with <u>Anticipation</u> and <u>Confirmation</u> but it also has an <u>Invitation</u> to partake of eternal life. This life and this age are winding down so we need to ready for the next life and the age to come. Because Jesus Christ is coming again!
